To the Shareholders

Dear Sir or Madam,

**PROPOSED TRANSFER OF
CONVERTIBLE PREFERENCE SHARES
AND
NOTICE OF SPECIAL GENERAL MEETING**

INTRODUCTION

Reference is made to the Announcement, in which the Board announced that on 13 September 2016 (after trading hours), the Company entered into the CPS Transfer Agreement with the Purchasers, pursuant to which the Company has conditionally agreed to procure the sale of and the Purchasers have agreed to purchase 651,430,000 Convertible Preference Shares in aggregate at the Transfer Price of HK\$0.21 per Convertible Preference Share.

The purpose of this circular is to provide you with, among others, (i) further details of the CPS Transfer Agreement and the transactions contemplated thereunder, including but not limited to the Transfer; and (ii) the notice convening the SGM.

LETTER FROM THE BOARD

BACKGROUND

As announced in the 2013 Announcement, completion of the 2013 Acquisition took place on 22 April 2013 and as a result of completion, the Group has paid the consideration in the sum of HK\$260,000,000 by the allotment and issue of 1,238,095,238 Convertible Preference Shares by the Company to the Counterparty.

Pursuant to the 2013 Acquisition Agreement, the Counterparty and the Guarantor jointly and severally warranted and guaranteed to the Investor that: (i) the Net Profit shall not be less than RMB50,000,000; (ii) the Total Net Profits shall not be less than RMB300,000,000; and (iii) the 2013 Target Group would have at least 300 Stores (as defined in the 2013 Circular) signed up in the PRC upon completion of the 2013 Acquisition which shall increase to at least 500 Stores before 30 June 2013. If the 2013 Target Group shall fail to meet the Total Net Profits in the sum of RMB300,000,000 by 31 December 2015, the actual number of the Convertible Preference Shares to be released to the Counterparty or its nominee(s) by the Escrow Agent would be downward adjusted in proportion to the actual Total Net Profits in accordance with the terms and conditions of the 2013 Acquisition Agreement.

As disclosed in the 2013 Circular, the excess of the Convertible Preference Shares which are not released to the Counterparty or its nominee(s) as a result of the aforesaid downward adjustment is expected to be sold by the Company in such ways subject to compliance with all applicable rules and regulations and be subject to Shareholders' approval if the Company shall decide on the dealing mechanism, in particular, the sale terms of such Convertible Preference Shares.

As disclosed in the April Announcement, the 2013 Target Group incurred a net loss of aggregate amount of approximately HK\$38,000,000 (equivalent to approximately RMB32,000,000 as at the date of the April Announcement) for the three financial years ended 31 December 2015. Pursuant to the terms of the 2013 Acquisition Agreement, the Counterparty shall not be entitled to any Convertible Preference Shares.

LETTER FROM THE BOARD

Transfer Price

The Transfer Price of HK\$0.21 per Convertible Preference Share represents:

- (1) a discount of approximately 22.22% to the closing price of HK\$0.27 per Share as quoted on the Stock Exchange on 13 September 2016, being the date of the CPS Transfer Agreement;
- (2) a discount of approximately 6.42% to the average of the closing prices of HK\$0.2244 per Share as quoted on the Stock Exchange for the last five trading days immediately prior to the date of the CPS Transfer Agreement; and
- (3) a premium of approximately 1.69% over the average of the closing prices of HK\$0.2065 per Share as quoted on the Stock Exchange for the last ten trading days immediately prior to the date of the CPS Transfer Agreement.

The Transfer Price was arrived at after arm's length negotiations between the Company and each of the Purchasers with reference to the recent trading price of the Shares and the notional value of HK\$0.21 of the Convertible Preference Shares. Although the Transfer Price represents a discount of approximately 22.22% to the closing price of HK\$0.27 per Share as quoted on the Stock Exchange on 13 September 2016, being the date of the CPS Transfer Agreement, the Company and the Purchasers considered that the closing price on 13 September 2016 was not a reasonable benchmark given the short-term volatile fluctuation of the price of the Shares around 13 September 2016 and the 5-day average or the 10-day average of the closing prices of the Shares would be a more fair and reasonable benchmark in determining the Transfer Price. The aggregate Transfer Price will be payable by each of the Purchasers in cash at Completion.

Conditions precedent

Completion of the Transfer to Mr. Zhu and completion of the Transfer to Jumbo Grand are respectively conditional upon:

- (1) the passing of the necessary resolution by the Shareholders at the SGM to approve the CPS Transfer Agreement and the transactions contemplated hereunder, including but not limited to the Transfer;
- (2) the representations, warranties and undertakings given by the Company under the CPS Transfer Agreement remaining true and accurate in all material respects;
- (3) the representations, warranties and undertakings given by the Purchasers under the CPS Transfer Agreement remaining true and accurate in all material respects;
- (4) all necessary consents and approvals as may be required in respect of the CPS Transfer Agreement and the transactions contemplated hereunder having been obtained by the Company; and

LETTER FROM THE BOARD

- (5) the EPS Acquisition Agreement having become unconditional and not being terminated in accordance with its terms.

The Company shall use its best endeavours to procure that conditions (1), (2), (4) and (5) above are satisfied not later than the Long Stop Date. The Purchasers shall use their best endeavours to procure that condition (3) above is satisfied not later than the Long Stop Date. The Company may in its absolute discretion at any time waive condition (3) above by notice to the Purchasers in writing. Mr. Zhu may in his absolute discretion at any time waive conditions (2) and (5) above by notice to the Company in writing. Jumbo Grand may in its absolute discretion at any time waive condition (2) above by notice to the Company in writing. Neither the Company nor the Purchasers may waive any of conditions (1) and (4) above. Condition (5) above is incapable of being waived by Jumbo Grand. If the EPS Acquisition Agreement has not become unconditional or has been terminated, Mr. Zhu will take into account the business prospects of the Group at that time when considering whether he will waive condition (5) above. As at the Latest Practicable Date, Mr. Zhu had not decided whether he would waive condition (5) above if such condition was not fulfilled.

If the above conditions precedent shall not have been satisfied (or as the case may be, waived) at or before 5:00 p.m. on the Long Stop Date, all rights, obligations and liabilities of the parties to the CPS Transfer Agreement shall cease and terminate and none of the parties shall have any claim against any other hereunder save for any antecedent breaches of the CPS Transfer Agreement.

If either Mr. Zhu or Jumbo Grand has waived one or more conditions precedent which have not been waived by the other Purchaser and all the conditions precedent in respect of the Purchaser who has waived one or more conditions precedent have been satisfied or waived, Completion shall take place for such Purchaser.

Completion

Subject to fulfillment (or as the case may be, waiver) of the conditions precedent, Completion shall take place on the date falling on the third Business Day after the fulfillment (or as the case may be, waiver) of the conditions precedent or such other date as to parties to the CPS Transfer Agreement may agree.

REASONS FOR THE TRANSFER AND USE OF PROCEEDS

The Group is principally engaged in the businesses of manufacturing and trading of electric cycles, trading and distribution of liquor and wine, provision of money lending services and investments in listed securities.

As disclosed in the announcement dated 29 July 2016 of the Company, on 29 July 2016, the Group entered into the EPS Acquisition Agreement, pursuant to which the Group has conditionally agreed to acquire the entire issued share capital of Emission Particle Solution Sweden AB that is principally engaged in the development, manufacturing and distribution of a fuel additive product namely EuroAd which can reduce fuel consumption and environmental

LETTER FROM THE BOARD

impact. Completion of the EPS Acquisition Agreement is conditional upon, among others, fund raising exercise or corporate financing with proceeds (or amount) of not less than HK\$221,000,000 to be conducted by the Company having becoming unconditional.

The aggregate gross proceeds from the Transfer will be HK\$136,800,300. The aggregate net proceeds from the Transfer, after deduction of the related expenses, will be approximately HK\$136,300,300, representing a net Transfer Price of approximately HK\$0.209 per Convertible Preference Share. The Company intends to use all of the net proceeds from the Transfer to settle part of the consideration of the acquisition of Emission Particle Solution Sweden AB.

As condition (5) of the CPS Transfer Agreement is incapable of being waived by Jumbo Grand, in the event that the EPS Acquisition Agreement does not become unconditional or is terminated, the transfer of 571,430,000 Convertible Preference Shares to Jumbo Grand will not take place. Mr. Zhu may in his absolute discretion at any time waive condition (5) of the CPS Transfer Agreement. In the event that the EPS Acquisition Agreement does not become unconditional or is terminated and completion in respect of the transfer of 80,000,000 Convertible Preference Shares to Mr. Zhu takes place (considering condition (5) of the CPS Transfer Agreement being waived by Mr. Zhu), the aggregate gross proceeds will be HK\$16,800,000 and the aggregate net proceeds, after deduction of the related expenses, will be approximately HK\$16,300,000, representing a net Transfer Price of approximately HK\$0.203 per Convertible Preference Share to be transferred to Mr. Zhu. The Company intends to use such net proceeds as general working capital of the Group.

The Directors consider that the Transfer will facilitate the realisation of the Convertible Preference Shares to compensate the Group for the failure to meet the Total Net Profits in the sum of RMB300,000,000 by the 2013 Target Group and allow the Group to raise fund to satisfy part of the consideration of the acquisition under the EPS Acquisition Agreement. As such, the Directors (including the independent non-executive Directors) consider that the terms of the CPS Transfer Agreement are fair and reasonable, on normal commercial terms and in the interests of the Company and its Shareholders as a whole.

The Group will continue to look for potential investor(s) to purchase the remaining Convertible Preference Shares or placing agent(s) to place such remaining Convertible Preference Shares to places in order to facilitate the realisation of the Convertible Preference Shares. The Company will seek the Shareholders' approval for such purchase or placing of the remaining Convertible Preference Shares.

FUND RAISING EXERCISE IN THE PRECEDING 12-MONTH PERIOD

The Company has not conducted any fund raising activities in the past 12 months immediately prior to the Latest Practicable Date.

7. ADJUSTMENTS TO THE CONVERSION PRICE

- (A) Subject as hereinafter provided, the Conversion Price shall from time to time be adjusted in accordance with the following relevant provisions and so that if the event giving rise to any such adjustment shall be such as would be capable of falling within more than one of subparagraphs (1) to (7) inclusive of this paragraph 7, it shall fall within the first of the applicable paragraphs to the exclusion of the remaining paragraphs:
- (1) If and whenever there shall be an alteration in the nominal value of the Ordinary Shares by reason of any consolidation or sub-division, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by a fraction of which the numerator shall be the nominal value of one Ordinary Share immediately after such alteration and of which the denominator shall be the nominal value of one Ordinary Share immediately before such alteration and such adjustment shall become effective on the date on which such alteration takes effect.

- (2) If and whenever the Company shall capitalise any amount of profits or reserves (including any share premium account or contributed surplus account) and apply the same in paying up in full the nominal value of any Ordinary Shares (other than any Ordinary Shares credited as fully paid out of distributable profits or reserves (including any share premium account or contributed surplus account) and issued in lieu of the whole or any part of a cash dividend or specie distribution which the holders of the Ordinary Shares concerned would or could otherwise have received and which would not have constituted a Capital Distribution (as defined in paragraph 7(B))), the Conversion Price in force immediately prior to the Record Date therefor shall be adjusted by a fraction of which the numerator shall be the aggregate nominal amount of the issued Ordinary Shares immediately before such issue and of which the denominator shall be the aggregate nominal amount of the issued Ordinary Shares immediately after such issue. Such adjustment shall be effective immediately after the Record Date for such issue.
- (3) If and whenever the Company shall make any Capital Distribution, the Conversion Price in force immediately prior to such distribution shall be adjusted by multiplying it by the following fraction:

$$(K - L) \div K$$

where:

K is the Closing Price of one Ordinary Share on the Dealing Day immediately preceding the date on which the Capital Distribution is announced or (failing any such announcement), the Dealing Day immediately preceding the Record Date for the Capital Distribution;

L is the fair market value on the date of such announcement or (as the case may require) the Dealing Day immediately preceding the Record Date for the Capital Distribution, as determined in good faith by an approved merchant bank (selected at the option of the Company) or the Auditors of the portion of the Capital Distribution which is attributable to one Ordinary Share.

Provided that:

- (a) if in the opinion of the relevant approved merchant bank or the Auditors (as the case may be), the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine (and in such event the above formula shall be construed accordingly) the amount of the said Closing Price which should properly be attributed to the value of the Capital Distribution; and
- (b) the provisions of this sub-paragraph (3) shall not apply in relation to the issue of Ordinary Shares paid out of profits or reserves and issued in lieu of a cash dividend nor to a purchase by the Company of its own Ordinary Shares in accordance with the provisions of the Companies Act.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the Record Date for the Capital Distribution.

- (4) If and whenever the Company shall offer to holders of Shares new Shares for subscription by way of rights, or shall grant to holders of Shares any options or warrants to subscribe for new Ordinary Shares, at a price which is less than 80 per cent. of the market price (as defined in paragraph 7(B)) at the date of the announcement of the terms of the offer or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer or grant by the following fraction:

$$(K + L) \div M$$

where:

K is the number of Ordinary Shares in issue immediately before the date of such announcement;

L is the number of Ordinary Shares which the aggregate of the amount (if any) payable for the rights, options or warrants and of the amount payable for the total number of new Ordinary Shares comprised therein would purchase at such market price; and

M is the number of Ordinary Shares in issue immediately before the date of such announcement plus the aggregate number of Ordinary Shares offered for subscription or comprised in the options or warrants.

Such adjustment shall become effective (if appropriate retroactively) from the commencement of the day next following the Record Date for the offer or grant.

- (5) (a) If and whenever the Company or any other company shall issue wholly for cash any securities which by their terms are convertible into or exchangeable for or carry rights of subscription for new Ordinary Shares and the total Effective Consideration (as defined below) per Ordinary Share initially receivable for such securities is less than 80 per cent. of the price which is the market price at the date of the announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the issue by the following fraction:

$$(K + L) \div (K + M)$$

where:

K is the number of Ordinary Shares in issue immediately before the date of the issue;

L is the number of Ordinary Shares which the total Effective Consideration receivable for the securities issued would purchase at such market price; and

M is the maximum number of new Ordinary Shares to be issued upon full conversion or exchange of, or the exercise in full of the subscription rights conferred by, such securities at the initial conversion or exchange rate or subscription price.

Such adjustment shall become effective (if appropriate retroactively) from the close of business in Hong Kong on the Business Day immediately preceding whichever is the earlier of the date on which the issue is announced and the date on which the issuer determines the conversion or exchange rate or subscription price.

- (b) If and whenever the rights of conversion or exchange or subscription attached to any such securities as are mentioned in section (a) of this subparagraph (5) are modified so that the total Effective Consideration per Ordinary Share initially receivable for such securities shall be less than 80 per cent. of the price which is the market price at the date of announcement of the proposal to modify such rights of conversion or exchange or subscription, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by the following fraction:

$$(K + L) \div (K + M)$$

where:

K is the number of Ordinary Shares in issue immediately before the date of such modification;

L is the number of Ordinary Shares which the total Effective Consideration receivable for the securities issued at the modified conversion or exchange price would purchase at the market price at the date of the announcement of such proposal; and

M is the maximum number of new Ordinary Shares to be issued upon full conversion or exchange of, or the exercise in full of the subscription rights conferred by, such securities at the modified conversion or exchange rate or subscription price.

Such adjustment shall become effective as at the date upon which such modification shall take effect. A right of conversion or exchange or subscription shall not be treated as modified for the foregoing purposes where it is adjusted to take account of rights or capitalisation issues and other events normally giving rise to adjustment of conversion or exchange terms.

For the purposes of this sub-paragraph (5), the “total Effective Consideration” receivable for the securities issued shall be deemed to be the consideration receivable by the issuer for the issue of any such securities plus the additional minimum consideration (if any) to be received by the issuer and/or the Company (if not the issuer) upon (and assuming) the full conversion or exchange thereof or the exercise in full of such subscription rights and the Effective Consideration per Ordinary Share initially receivable for such securities shall be such aggregate consideration divided by the number of Ordinary Shares to be issued upon (and assuming) such conversion or exchange at the initial conversion or exchange rate or the exercise of such subscription rights at the initial subscription price, in each case without any deduction for any commissions, discounts or expenses paid, allowed or incurred in connection with the issue.

- (6) If and whenever the Company shall issue wholly for cash any Shares (other than Shares issued to employees, including directors of the Company or any of its Subsidiaries, or their personal representatives, pursuant to an employee share scheme) at a price per Ordinary Share which is less than 80 per cent. of the market price current at the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by a fraction of which the numerator is the number of Ordinary Shares in issue immediately before the date of such announcement plus the number of Ordinary Shares which the aggregate amount payable for the issue would purchase at such market price and the denominator is the number of Ordinary Shares in issue immediately before the date of such announcement plus the number of Ordinary Shares so issued. Such adjustment shall become effective on the date of the issue.
- (7) If and whenever the Company shall purchase any Ordinary Shares or securities issued by the Company or any of its subsidiaries which are convertible into or exchangeable for Ordinary Shares or any rights to acquire Ordinary Shares (other than on the Relevant Stock Exchange) and the Directors of the Company cancel such Ordinary Shares, securities convertible into or exchangeable for Ordinary Shares or rights to acquire Ordinary Shares, the Directors of the Company may if they consider it appropriate make an adjustment to the Conversion Price, provided that the Directors shall have appointed an approved merchant bank or the Auditors to consider whether, for any reason whatever as a result of such purchases, an adjustment should be made to the Conversion Price fairly and appropriately to reflect the relative interests of the persons affected by such purchases by the Company and, if such approved merchant bank or the Auditors shall consider in its opinion that it is appropriate to make an adjustment to the Conversion Price, the Directors shall make an adjustment to the Conversion Price in such manner as such approved merchant bank or the Auditors shall certify to be, in its opinion, appropriate. Such adjustment shall

become effective (if appropriate retroactively) from the close of business in Hong Kong on the Business Day immediately preceding the date on which such purchases by the Company are made.

(B) For the purposes of paragraph 7(A):

“announcement” shall include the releases of an announcement to the press or the delivery or transmission by telephone, telex or otherwise of an announcement to the Relevant Stock Exchange and “date of announcement” shall mean the date on which the announcement is first so released, delivered or transmitted;

“Capital Distribution” means any distribution paid or made by the Company on Ordinary Shares to the extent that the amount of such distribution exceeds the amount calculated by reference to $P - D$ where:

P is the aggregate of the net consolidated profits less the aggregate of the net consolidated losses of the Company and its subsidiaries after taxation and minority interests but before extraordinary items in respect of the financial period ended on 30 June 2012 and each subsequent financial period in respect of which an audited consolidated profit and loss account of the Company and its subsidiaries (or, if it has at the relevant time no subsidiaries, an audited profit and loss account of the Company) has been published, as shown by such profit and loss account(s);

D is the aggregate amount of all distributions then already paid or made by the Company on Ordinary Shares in respect of any and all financial periods ended on or after 30 June 2012; provided that if such amount is greater than “P”, then “D” shall be deemed to be equal to “P”;

“market price” means the average of the closing prices of one Ordinary Share on the Relevant Stock Exchange in respect of dealings in board lots for the five consecutive Dealing Days ending on the last Dealing Day preceding the day on or as of which the market price is to be ascertained.

(C) The provisions of sub-paragraphs (2), (3), (4), (5) and (6) of paragraph 7(A) shall not apply to:

- (1) an issue of fully paid Ordinary Shares upon the exercise of any conversion rights attached to securities convertible into Ordinary Shares or upon exercise of any rights (including the Conversion Rights attaching to the Convertible Preference Shares) to acquire Ordinary Shares or any other convertible securities convertible into Ordinary Shares issued pursuant to or under the Agreement;
- (2) an issue of Ordinary Shares or other securities of the Company or any subsidiary of the Company wholly or partly convertible into, or rights to acquire, Ordinary Shares to directors or employees of the Company or any of its subsidiaries or their personal representatives pursuant to an employee share scheme;

- (3) an issue by the Company of Ordinary Shares or by the Company or any other subsidiary of the Company of securities wholly or partly convertible into or rights to acquire Ordinary Shares, in any such case in consideration or part consideration for the acquisition of any other securities, assets or business;
 - (4) an issue of Ordinary Shares pursuant to a scrip dividend scheme where an amount not less than the nominal amount of the Ordinary Shares so issued is capitalised and the market value of such Ordinary Shares is not more than 120 per cent. of the amount of the dividend which holders of the Ordinary Shares could elect to or would otherwise receive in cash, for which purpose the “market value” of an Ordinary Share shall mean the average of the closing prices on the Relevant Stock Exchange for five (or more) consecutive Dealing Days falling within the period of one month ending on the last day on which holders of Ordinary Shares may elect to receive or (as the case may be) not to receive the relevant dividend in cash; or
 - (5) the issue of the Convertible Preference Shares.
- (D) Any adjustment to the Conversion Price shall be made to the nearest one cent (Hong Kong currency) so that any amount under half a cent (Hong Kong currency) shall be rounded down and any amount of half a cent (Hong Kong currency) or more shall be rounded up and in no event shall any adjustment (otherwise than upon the consolidation of Ordinary Shares into Ordinary Shares of a larger nominal amount) involve an increase in the Conversion Price. In addition to any determination which may be made by the Directors every adjustment to the Conversion Price shall be certified either (at the option of the Company) by the Auditors or by an approved merchant bank.
- (E) Notwithstanding anything contained in these Terms, no adjustment shall be made to the Conversion Price in any case in which the amount by which the same would be reduced in accordance with the foregoing provisions of paragraph 7 would be less than one cent and any adjustment that would otherwise then be required to be made shall not be carried forward.
- (F) If the Company or any of its subsidiaries shall in any way modify the rights attached to any share or loan capital so as wholly or partly to convert or make convertible such share or loan capital into, or attach thereto any rights to acquire, Ordinary Shares, the Company shall appoint the Auditors or an approved merchant bank to consider whether any adjustment to the Conversion Price is appropriate (and if the Auditors or such approved merchant bank shall certify that any such adjustment is appropriate the Conversion Price shall be adjusted accordingly).
- (G) Notwithstanding the provisions of paragraph 7(A), in any circumstances where the Directors of the Company shall consider that an adjustment to the Conversion Price provided for under the said provisions should not be made or should be calculated on a different basis or that an adjustment to the Conversion Price should be made notwithstanding that no such adjustment is required under the said provisions, the Directors may appoint the Auditors or an approved merchant bank to consider

whether for any reason whatever the adjustment to be made (or the absence of adjustment) would or might not fairly and appropriately reflect the relative interests of the persons affected thereby and, if such Auditors or approved merchant bank shall consider this to be the case, the adjustment shall be modified or nullified or an adjustment made instead of no adjustment in such manner (including without limitation making an adjustment calculated on a different basis) as shall be certified by the Auditors or such approved merchant bank to be in its opinion appropriate.

- (H) Whenever the Conversion Price is adjusted as herein provided, the Company shall give notice to the Convertible Preference Shareholders that the Conversion Price has been adjusted (setting forth the event giving rise to the adjustment, the Conversion Price in effect prior to such adjustment, the adjusted Conversion Price and the effective date thereof) and shall at all times thereafter so long as any of the Conversion Rights remains exercisable make available for inspection at the principal place of business for the time being of the Company prior to all the Convertible Preference Shares being converted or purchased in full a signed copy of the said certificate of the Auditors or (as the case may be) of the relevant approved merchant bank and a certificate signed by a Director setting out the brief particulars of the event giving rise to the adjustment, the Conversion Price in effect prior to such adjustment, the adjusted Conversion Price and the effective date thereof.

- (C) All payments or distributions with respect to Convertible Preference Shares held jointly by two or more persons shall be paid or made to whichever of such persons is named first in the Register and the making of any payment or distribution in accordance with this sub-provision shall discharge the liability of the Company in respect thereof.

12. FRACTIONS

No fraction of an Ordinary Share arising on conversion shall be allotted to the holder of the Relevant Convertible Preference Share(s) otherwise entitled thereto but such fractions will, when practicable, be aggregated and sold and the net proceeds of sale will then be distributed pro rata among such holders unless in respect of any holding of Relevant Convertible Preference Shares the amount to be so distributed would be less than HK\$100, in which case such amount will not be so distributed but will be retained for the benefit of the Company. Unless otherwise agreed between the Company and a Converting Shareholder, if more than one

Convertible Preference Share shall fall to be converted pursuant to any one Conversion Notice, the number of Ordinary Shares to be issued upon conversion shall be calculated on the basis of the aggregate Notional Values of the Relevant Convertible Preference Shares. For the purpose of implementing the provisions of this paragraph 12, the Company may appoint some person to execute transfers, renunciations or other documents on behalf of persons entitled to any such fraction and generally may make all arrangements which appear to it to be necessary or appropriate for the settlement and disposal of fractional entitlements.

13. TAXATION

- (A) All payments of amounts equal to the Notional Value, nominal amounts, premium (if any) and Dividends in respect of Convertible Preference Shares shall be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Bermuda or Hong Kong or any authority therein or thereof (other than any withholding or deduction on account of any income tax, capital gains tax or other tax or duties of a similar nature) unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, subject to the Company having sufficient profits available for distribution, the Company shall pay such additional amounts as may be necessary in order that the net amounts received by the Convertible Preference Shareholders after such withholding or deduction shall equal the respective amounts of the Notional Value, premium (if any) and Dividend which would have been receivable in respect of the Convertible Preference Shares in the absence of such withholding or deduction, except that no such additional amounts shall be payable with respect to any Convertible Preference Shareholder:
- (1) who is liable to such taxes, duties, assessments or governmental charges in respect of any Convertible Preference Share by reason of such holder having some connection with Bermuda or Hong Kong, as the case may be, other than by virtue of being a Convertible Preference Shareholder; or
 - (2) receiving such payment in Bermuda or Hong Kong, as the case may be, and who would be able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration or non-residence or other similar claim for exemption to the Bermuda or Hong Kong tax authority, as the case may be, but fails to do so.
- (B) To the extent that the Company shall have insufficient profits available for distribution in order to permit it to pay all or any of such additional amounts as aforesaid the amount of any shortfall shall be treated for all purposes as arrears of Dividend only in circumstances when the Company has sufficient profits or distributable reserves available for distribution.

14. RESTRICTED HOLDERS

No Convertible Preference Shares may be allotted and issued to any individual or entity who shall as a result become, and no Conversion Rights may be exercised by any Convertible Preference Shareholder who is, a Restricted Holder (as hereinafter defined). The exercise of any Conversion Rights by a Convertible Preference Shareholder shall constitute a confirmation, representation and warranty by the Converting Shareholder to the Company that such Converting Shareholder is not a Restricted Holder and that all necessary governmental, regulatory or other consents or approvals and all formalities have been obtained and observed by such Converting Shareholder to enable him to exercise legally and validly the relevant Conversion Rights, to hold the Conversion Shares allotted and issued upon exercise of the Conversion Rights and the Company to legally and validly allot the Conversion Shares. For the purposes of this paragraph 14, a “Restricted Holder” means a Convertible Preference Shareholder who is a resident or national of any jurisdiction other than Hong Kong under the laws and regulations of which an exercise of Conversion Rights by such Convertible Preference Shareholder or the performance by the Company of the obligations expressed to be assumed by it under these Terms or the allotment and issue and holding of the Conversion Shares cannot be carried out lawfully or cannot be carried out lawfully without the Company first having to take certain actions in such jurisdiction.

15. REPLACEMENT OF CERTIFICATES

If any Certificate is mutilated, defaced, destroyed, stolen or lost, it may be replaced at the Company upon payment by the claimant of such costs as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Company may reasonably require and on payment of such fee not exceeding HK\$50 as the Company may determine. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

16. NOTICES

Subject to the Statutes, except in the case of a Conversion Notice, a notice given pursuant to these provisions may be revoked with the consent in writing of the Company. Notices to Convertible Preference Shareholders shall be given in accordance with the Bye-laws.

17. TRANSFERS AND CERTIFICATES

- (A) The provisions of the Bye-laws relating to the transfer of shares and share certificates shall apply in relation to the Convertible Preference Shares, subject to these provisions.
- (B) The Company shall maintain and keep a full and complete register at such location in Bermuda and/or in Hong Kong as it shall from time to time determine of the Convertible Preference Shares and the Convertible Preference Shareholders from time to time, such register shall contain details of conversion and/or cancellation and the destruction of any Convertible Preference Shares and the issue of any replacement Certificates issued in substitution for any mutilated, defaced, lost, stolen or destroyed Certificates and of sufficient identification details of all Convertible Preference Shareholders from time to time (or, to the extent reasonably requested by the

principal registrar of the Company in Bermuda and agreed by the Company, such lesser details and/or information in relation to the Convertible Preference Shares as maintained by the principal registrar of the Company in Bermuda).

- (C) Where any Convertible Preference Share is intended to be transferred to any transferee, the relevant holders of the Convertible Preference Shares shall seek prior consent from the Company and if such transfer is to be made to a connected person (as defined in the Listing Rules) of the Company (other than the associates (as defined in the Listing Rules) of the transferring Convertible Preference Shareholder), such transfer shall also comply with the requirements under the Listing Rules and/or requirements imposed by the Hong Kong Stock Exchange (if any).

18. PRESCRIPTION

Any Convertible Preference Shareholder who has failed to claim distributions or other property or rights within six years of their having been made available to him will not thereafter be able to claim such distributions or other property or rights which shall be forfeited and reverted to the Company. The Company shall retain such distributions or other property or rights but shall not at any time be a trustee in respect of any such distributions or other property or rights nor accountable for any income or other benefits derived therefrom.

19. SEVERABILITY

If at any time one or more provisions hereof is or becomes invalid, illegal, unenforceable or incapable of performance in any respect under the laws of any Relevant Jurisdiction, the validity, legality, enforceability or performance in that jurisdiction of the remaining provisions hereof or the validity, legality, enforceability or performance under the laws of any other Relevant Jurisdiction of these or any other provisions hereof shall not thereby in any way be affected or impaired.
